Subject:	Running on Wednesday
Body:	Hey -- I don't know what your schedule looks like for Wednesday lunch (I'm sure you already have plans), but I am going to be running at lunchtime that day and thought I would extend an invitation to you, in case you needed a running partner while you were in D.C. (Someone has to help you brave the humidity!)I don't know if you will get this e-mail in time, but let me know if you do. We're really looking forward to seeing you tomorrow. Bye bye!
