Subject: backup
                          I have set up 2 automatic backups to run while I am away. One will run Wednesday night the 14th, so on
                          Wednesday morning you will need to put a new tape in. The second will run the following Tuesday night.If you
                          encounter any problems with the server rebooting I should be pagable the following mornings to help you get
Body: it restarted.Please call me with any questions
