Subject:	August 11 letter to Vezeris
Body:	I was quite surprised to find this letter on my desk this morning. I had no idea you were preparing such a letter to the Secret Service. In the future, please show me your materials before you communicate directly with Vezeris or Machado. As you know, John often calls me to ask for clarification. If letters or calls go to the Service without my knowledge, I am caught unaware and I, along with the Agency, appear unprofessional.
