**Subject:** NARA Administrative files  
Last week, I looked through boxes of NARA administrative files. One box contained correspondence of the Office of Presidential Libraries. Among these letters are reports from the Johnson Library, the Kennedy Library, and the Eisenhower Library to NARA itemizing documents and records provided by these libraries to Church Committee staff. These weekly reports document at least a portion of what should be in the Church Committee's collections. I have placed a copy of the Box List in your box.
