Subject: Grand Jury Information
I called LuAnn (Debbie & Carol are out today) to ask her for a file that has grand jury information in it. She said that it would help her if we could give her the names of three or four files that we have inventory sheets for (preferably criminal subjects, as opposed to security subjects) and then she would call us back and give us a subject that has grand jury information in it.If you need to talk to her directly, her number is 324-0673.Let me know if this doesn't make sense. Laura
