**Subject:** Miscellaneous

E-I hope you are felling better today.A couple of miscellaneous items:1. I looked through the McCaghren box of material. Although I suspect that it is all in the Collection already, just to be sure, I would still like to have it all copied, as planned.2. I did not get to look at the Shaw collection again. I think we should plan sending it out to the Archives during the week of September 15, after Aynesworth looks at it in our offices. I plan on looking at it again next week, hopefully on Monday. Then, after we have decided whether or not we do a news release, we can call Steve Tilley and inform him of our planned timing and see if it is okay with him. At a minimum, we need to do a mailing list advisory that the papers are available at the Archives. I am leaning towards doing a news release and seeing if anyone picks it up.
