**Subject:** Z-Film Lead  
Something about this one is interesting...Michelle interviewed Max Phillips (USSS) in California this week and he told her that Robert Bouck (Head of PRS), who had custody of the autopsy photos and x-rays from 1963-Spring 1965, was a close friend of James Angleton.Many wonder about authenticity of some of the autopsy photos and x-rays.This person in California who says the Z film was altered knew Angleton...hmmmmm.
