Subject: FINCEN Search for Captain Will Fritz

At lunch the other day, there was some discussion of Sydney doing searches at FINCEN. I would appreciate it if he has a way to search for relatives of the late Will Fritz, former head of the Dallas Homicide unit. I excerpted the entry for Fritz below from the Mary Ferrell data base. As part of our canvas for Dallas records, I would like to contact Fritz's family to find out if he left assassination records behind. Please advise me if there is anything else I should do relative to this request. Unfortunately, I do not have any other info for a search. Thanks. Name: FRITZ JOHN WILL (CAPT.)
