Subject: Masen memo

Body: Off the top of your head do you remember if it was the Dallas Masen file that has yet to be turned over to us and the Miami file that was destroyed. If you don't remember don't worry I will check on it today. Also I am playing around with Memo format. Marie gave me a sample memo which is helping. When I type up my memo do you want the file number, dates covered, and serial number or is that all not necessary?
