Subject: Re: FRUS Volume on the Bay of Pigs
I would suggest that we attempt to get a copy of the FRUS volume quickly. Nina said there is a great deal of public interest in it and they expect it to go rapidly. You might want to call the Government Printing Office Bookstore to get their hours. The last time I was there, they were keeping peculiar hours because of budget cuts.

It is available at the GPO but is apparently going fast. Can we send someone over to pick up a few copies? I don't mind going myself if necessary.
