Subject: Week up-date

I have completed the review of the three Masen files. I have the memo completed but just want to check on two things today. I should have the memo in to you tomorrow. I have completed the review of 18 Cuba Intelligence in America files. I have four more to go. I should have the memo into you by the end of this or next week. I have reviewed the Maguerite Oswald "See" files, a big total of 12 documents. John Manchester was another big one, 14 pages. Edward Partin was a little bigger with 200 pages. Sarah and I have gone over and split the pages for Medlevine's first file, 120 pages. I also completed Medlevine's "see" file which I believe is 180 pages. Total of new process pages of 528. None of these have been negotiating yet. Sarah and I are waiting until after the board meeting to get instructions and suggestions for negotiating. Future plans. This week I am going to wrap up and turn in Masen. I also plan on finishing up the Cuban Intelligence soon. Lue Ann also gave me a large new process case to work on. Sam and Gabriel Mannarino. These two mob brothers occupy four file drawers. Let me know if this is the kind of information you want for week up-dates. Do you want the file numbers for the documents I reviewed because I can turn them into you later today.
