Subject: Peter C. Glynn

Body: I called him this evening and left a message saying that I would call him September 30 (my first day back at work after being on leave), and try to schedule a visit later in that week in which people from ARRB would drive down and visit with him at his home.His wife (?) said that that would make him very happy, since he was very nervous about the idea of coming up to Washington on his own--he really did not want to do that .
