Subject: ONI Files

On the chair in my office nearest the door, you will find the ONI file given to the HSCA (vice the one given to the JFK Collection in 1993, which you have in the black binder). Ron knew about this, explained it to me today, and brought it to me from the SCIF---it's from the HSCA numbered files. Please come get it, and review it this week to see if 152s and 119s and the other things are in there. If they are, then we may not need to go forth and ask ONI for anything. I now recommend you review this HSCA ONI file, and re-review the one transferred by NCIS in 1993, before you go to the Archives. Thanks.
