Subject: J-Track Projects

Body: Over the next two weeks I plan to update, prioritize, and cull research projects from J-Track. By the end of the week could you please review the projects assigned to you and let me know the following:1. which projects are near completion and what needs to be done to get them finished;2. which projects you believe are the most promising or highest priority,3. which projects are not going anywhere because of a lack of time, a lack of interest, a lack of material, or a looming dead end;4. which projects you are most interested in completing;5. which projects you believe could be turned over to one of the newer CIA analysts with your supervision and assistance.6. any particular problems you are having with your projects,7. anything else you think I need to know.Please update any projects you can on J-Track.Thanks!
