Subject: Re: Fast Track Defaults

Body: What say you Kevin should we have it default to postponed in part?To: Chet Rhodes/ARRBcc: From: Bob Skwirot/ARRBDate: 10/07/97 06:32:14 PMSubject: Re: Fast Track DefaultsMy recollection is different. I believe that we set up Fast Track to default of Postpone in Part, but now it no longer is set that way. Yes, the majority of records that CIA team processes. Check with Kevin, but I think the default should be to Postpone in Part.
