CALL REPORTDocument's Author: Manuel Legaspi/ARRB Date Created: 10/09/97 The Players Who initiated the call? Review Board's representative in the call: Manuel LegaspiNational Security Agency (NSA)'s representative in the call: - restricted - Description of the Call Date: 10/09/97Subject: NSA visit/demo/other admin issuesSummary of the Call:I telephonically contacted our poc at NSA to discuss several administrative items. A report follows:1. I informed her that we were still awaiting a response from NSA regarding the "demo" discussed in several previous telephone discussions. She told me that her supervisor wanted to wait a while to schedule said meeting in order to avoid conflict with the changeover in the Executive Director's position here at ARRB. I indicated to her that the "demo" part of the meeting is more for their benefit, and could be scheduled at their convenience. However, there are several review issues that need to be discussed with them before we can bring certain documents to the Board, and as a result, ARRB desires a meeting sooner rather than later. She informed me that she would try to schedule this meeting in before the Board returns to DC on 17-18 November.ENDDon't forget to compose individual Action Item documents for any action items that resulted from the call!
