Subject: your tasker
You asked me to collect all memos/notes/guidance to staff on filing paperwork and email guidance. I did not include the memo that Noelle originally sent to R&A that you recently updated wherein format of letters/memos etc. was laid out. - Pls let me know if I should. The rest of what I did find is in your in box within file folders. I did ask Chet about any others, but I think he and I will need more time to finish searching the computer for any guidance memos b/c it takes so long to pull up the system Pls let me know how you would like me to proceed. Thanks, CATHY
