Subject: Urgent Matter--Work Related--Prior to C.O.B.

Chet--I have a "JCS" data disc which I need to LOAN you for a very short time--for you to enter in your source data base, so that we can do review track on some of the items. But Jim and I need the disc back ASAP because we are using it to build RIFs. The only RIF # we are going to do review track on right now is already on
Body: the disc.PLEASE EXPEDITE! Thanks.
