Subject:	Follow-up to Our Discussion on HSCA Interfiling Project at NARA
	Chet:As you will recall, yesterday you and I discussed the use of a master list during the planned HSCA interfilng project at NARA scheduled for next week. I have subsequently discussed with Jeremy what kind of list we would want to use during the project. He advised me that we want a view for all referred records in RIF number order. Jeremy told me that you could do this from home and we could have a print out for use on Monday (I hope this is all accurate).Please leave me a voice mail message at ext. 227 on whether you can do the list described above. Also, please let me know if we need to talk further about this matter.As always,
Body:	thanks for your help.Tom
