Subject: More on My Rochester Travel

I believe the hotel is the Airport Holiday Inn. Tilley is going to stay there also. Tilley tells me that the last flight out of Rochester on weekdays is at 5:25 P.M....please get me the last flight out on Friday, November 7. Thanks. To: Tracy Shycoff/ARRBcc: Jeremy Gunn/ARRB From: Douglas Horne/ARRB Date: 10/16/97 08:06:36 PM Subject: Travel to Rochester Steve Tilley was so positive today in his phone call to me about NARA's continuing preparations for the "Kodak Event" (w/JFK autopsy photographs and x-rays) that I now consider the event a "go," with only a few details to work out. I wanted to notify you now because I don't want to take a chance of NOT being on the same flight as Tilley and the other people from NARA. Please arrange the following reservations for me--since this is the flight Tilley intends to be on: U.S. Air from National to Rochester, departing National at 3:05 P.M. on Sunday, November 2, 1997; U.S. Air from Rochester to National Friday evening (8:00 or 9:00 P.M.), November 7. I suppose the same hotel David and I had last time would be fine--I just don't remember the name. They did have a gov't rate, although we had to remind them upon arrival. Problem: I would rather not rent a car. Why don't I just piggy-back on Steve's car for the 2.5 days he will be there (you see, he is going home mid-week)...so the only cab fare I will need in my advance will be Wednesday night through Friday night (5 trips, or approximately \$130.00 extra in incidentals...the airport cab trip there is very expensive, and the trips to-from hotel and Kodak are about \$ 25.00 a shot...but it's still cheaper than renting a car, and a lot less trouble. Please remember that I don't have any credit cards, so I will need an advance containing 100% of actual anticipated expenses. Purpose of travel: "Coordination of ARRB photographic consultations with Kodak." Thanks. I do not think any of this will change.
