**Subject:** document inquiry  
A member of the public has a long-standing interest in the transcript of the deposition of Richard Helms taken 4/24/75. I told him last month that the document is in the "pipeline," was reviewed by the CIA, and that the CIA referred it to the FBI. Do either of you know any more about this?The document number is 178-10002-10093. thanks!
