Subject: DRE documents

Body: I spoke to Barry again this afternoon. He said that a year ago he gave the DO four examples of these monthly reports (which Manuel had found in the Collection) for review and so that they would recognize for what type of document they were searching. He has not yet received a reponse from the DO to his numerous e-mails over the last two weeks. He promised me he would try again and let us know ASAP. Barry did not remember the months of the four DRE reports he used as examples. He did not think they were from 1963 but it is only a faint memory. I think he is trying to give us an answer but the DO is not giving him an answer.
