Subject: Custer Deposition
I reviewed a ton of stuff (both paper, and audio and video) for you over the weekend, essentially all night Saturday and all day yesterday. My goal was to reduce to its essentials what you need to review this evening. I know your time is limited, and our focus is on records, and not someone else's theories. At a time this morning of your convenience, I need to hand off to you a very limited number of materials which I feel are essential for you to listen to in the car on the way home, and watch tonight on your VCR. Let me know when you want to talk. I just need 10 minutes with you.
