When we last discussed this, shortly before David left, I believe the response to Underwood's letter had not yet been sent. You told me David had written a response but you were recommending that he make a few changes. I never saw a copy of what was sent. I would like to review the latest correspondence before calling him and will check with Cathy for his file. To: Irene Marr/ARRBcc: From: Jeremy Gunn/ARRB Date: 10/30/97 02:32:02 PMSubject: UnderwoodI may have forgotten, but I thought the plan was to recontact Underwood around September 15. Has anything happened on this?
