CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 10/31/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronNational Archives and Records Administration's representative in the call: Kris WilhelmDescription of the Call Date: 10/31/97Subject: Senate Internal Security (Eastland) Comm. RecordsSummary of the Call:Ms. Wilhelm called today to advise us that the NARA staff had identified approximately two boxes of materials from the Senate Internal Security Committee (the Eastland Committee) that they believe are assassination-related. Some of the material includes testimony (including testimony of Ruth Paine). According to Ms. Wilhelm, the material is still classified but counsel for the Senate Judiciary, which has jurisdiction over the records, has authorized release for the purpose of obtaining declassification by the relevant agencies. Accordingly, Ms. Wilhelm will have the material copied and will call us next week for us to pick it up. We should then review it to confirm that it is assassination related under the Act and then refer it to the appropriate agencies for declassification. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
