Subject: Consent Release Correction
Please take 104-10102-10032 out of the box of October '97 consent releases and put it with those we will notice at the next meeting. Kevin finds it easier to deal with the correction that way. Also, make note on the inventory for the October documents that 104-10102-10031 is not there (since it is not being replaced by 104-10102-10032.)
