Subject: Nov. 17-21 trip

Carolyn has agreed to allow me to return to D.C. the week before Thanksgiving. We get back from Hawaii the previous day (Sunday the 16th) and we have a Phoenix Suns basketball game to go to that night, so I think very early Monday morning would be the earliest I could depart from Phoenix. For ease and proximity of airport-to-Review Board travel, I suppose I'd like to come into National, although if there was some really early and direct flight to Dulles that would (even adding airport-to-ARRB travel time) get me to the office quicker, I would consider it. I want to reach the office as early as possible in the day, 'cause I have a lot to do in a week and want to get started. Let me know your what you think! If there were some very late overnight flight leaving late Sunday, I might consider that too. But it would have to be late, given the basketball game.P.S. We'll be seeing the puppies again tonight, though I don't know if we'll learn which one is "ours" tonight or not.P.S.S.

Body: Everything go OK, HSCA-file-relocation-wise, w/yesterday's visit?
