Subject: List of Congressional Committees With Which We Have Outstanding Assassination Records Business

Body: Ron:Please e-mail me a list of the Congressional Committees With Which We Have Outstanding Assassination Records Business. I know one is the Senate Select Committee on Intelligence. In addition, Jeremy told me that we had recent correspondence with someone from the House who essentially covers the House committees with which we have records business. A copy of that letter would be helpful. If there are other committees not covered by that correspondence, please note for me.Thanks.Tom
