Subject: Navy Assassination Records
Jim -- Christopher Tynes of the Navy called. He is attempting to create RIFs for Navy's assassination records, but is experiencing problems with the disk that we had provided him. Can you coordinate with him and Steve Tilley to make sure that Navy gets the proper computer disk to create their RIFs. Chris Tynes' number is 703-614-4472. I cleared this with Doug. Thanks.--Ron
