**Subject:** letter from Freeh  
I just wanted to let you know that I talked to Carol first thing this morning and asked her about the letter from Freeh to the foreign governments and about our request for evidence on the informant from the Lawford file. With regard to the Lawford file informant, she said that she had delegated it to a member of the Task Force and that she would check with them and call me back. With regard to the letter from Freeh, she is still awaiting John Collingwood's response to her latest draft. Although he is in a meeting this morning, she will talk to him when he emerges and call me back. I told her that we wanted to send the letter in the FedEx package to the Board today.
