**Subject:** call from Evan Thomas (Newsweek)

**Body:** He reiterated that he is working on a bio on Robert Kennedy. He asked some general questions, like how long we will be in existence.He's been in contact with Peter Kornbluh at the National Security Archives and heard that there will be a declassification by the Kennedy library of Cuba documents. I told him that we conducted our own declassification session and are releasing JCS and Army documents that relate to US policy toward Cuba this week.He is expecting a call from you (per my suggestion). His number is 626-2048.
