Thank you.Rochelle, If possible, I would like to speak with you for a few minutes re: the Treasury Documents you've reviewed. Ron has asked that I review some of the documents as well, and I would like to clarify which documents you have seen and which documents you need to have me review before my next trip to Archives II. Please e-mail me with the times you will be in the office, or call me @ ext. 285. Thanks.Jessica
