**Subject:** NSA documents voted on by the Board, 17 NOV 97

FYI. Jerrie indicates the status of the 8 USAF documents is incorrect.To: Kevin Tiernan/ARRBcc: Michelle Combs/ARRB, Tom Samoluk/ARRB From: Manuel Legaspi/ARRB Date: 11/19/97 12:21:37 PMSubject: NSA documents voted on by the Board, 17 NOV 97Kevin, I have placed in your IN box a listing of the documents that were approved by the Board. The listing should match the documents that I sent to you electronically. I will be placing a list of the consent release documents in your in box by COB, 19 NOV 97.FYI: Unfortunately, I made an error in counting the documents actually voted on by the Board on Monday. The correct figure is 30. Of the 41 that were eligible for review, the status of the 11 not voted on were as follows: - 3 were withdrawn at the request of the Board for further negotiation w/NSA. (144-10001-10127; -10169; -10170)- 8 were pulled because they contained USAF equities. (144-10001-10175; -10177; -10178; 10179; -10180; -10249; -101251; -10253) - my error was in placing 2 USAF documents (-10175; -10178) in the "OK/green" folder. They have been pulled out of that folder and will be reviewed by the USAF at a date TBD. end
