Barry HarrelsonDescription of the Call Date: 11/26/97Subject: CIA Compliance ReportSummary of the Call:Barry Harrelson called today to request additional time for submission of the CIA's initial compliance statement. The statement was to be submitted by the close of November, but I agreed that it could be submitted by December 8. According to Mr. Harrelson, the submission on December 8 will be a draft for our review and comment. Thereafter, they will have the initial compliance statement approved by CIA's Office of General Counsel and then officially submitted to the Review Board. I explained that, as has been the procedure for other agencies, we would review the initial compliance statement, meet with the CIA to discuss issues of JFK Act compliance, and then have the CIA submit their Final Declaration of Compliance. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
