Body: Jeremy:I haven't responded to Anna yet, but I thought you might want to know about this. As you may recall, Kermit got several "hot" responses from his piece. I am going to suggest to Anna that we get a look at anything she submits, to avoid problems. Please advise me if you have any thoughts on a CIA document. Kermit, you will remember, wrote a long piece aboutthe Board which attracted a certain amount of attention so I thought this a good thing to do. I thought one from NSA, our favorites from FBI, a good one fromthe Califano collection would do nicely. But I need something brief, butjuicy from the CIA. Any suggestions? Anna
