Subject: National Airport

Evidently, they found this to be a strange and difficult request. I have spoken with the Public Affairs Office, the Business Office, and the Host Marriott Office. [the Host Marriott Office was the most helpful.]The public affairs rep suggested there is an area at the south end of the National Hall level which should have plenty of seating, coffee available, etc.Business management rep suggested maybe FGI Friday's and put me in touch with Host Marriott. Doug at Host Marriott suggested:1. TGI Friday's at Center Pier of the National Hall Level (703-417-1902), or2. Cheesecake Factory - 3 locations - (703-417-2106). I spoke with TGI Friday's and he said they are open at 6:00 a.m. I spoke with a man at the Cheesecake Factory and he said he has three locations, opening 6:00 a.m.: North end of Concourse (National Hall Level) South end of Concourse (National Hall Level) Near Center Pier on the Ticket Level
