Sheehy, Esq.Description of the Call Date: 12/23/97Subject: Pike Committee RecordsSummary of the Call:To assist us in locating the unredacted originals of certain redacted Pike Committee documents in the JFK Collection, Mike Sheey said we could contact Bill McFarland (225-4121), the Security Officer for the Permanent Select Committee on Intelligence (HPSCI). McFarland can give us access to the original Pike Committee holdings that are in the control of the HPSCI, and Sheehy has already discussed this with him. It remains to be seen how difficult (or easy) it will be to identify the original documents and language that were redacted. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
