Subject: Billie Sol Estes

Sarah --Jeremy told me that you did some of the initial legwork on our informal request for additional information on Billie Sol Estes. I have drafted a formal request to send to Carol -- FBI-47. I assume that Jeremy will review it tomorrow and we can hand-deliver it to Carol tomorrow or Monday. Would you take on the review of this file?According to Jeremy, Caorl located ~8-12 headquarters files on Estes. We need to do a quick review of whatever headquarters file are available on him and search for any records that discuss his alleged link to LBJ. Although we would be interested in records from the 1960s that discuss LBJ, Jeremy is more interested in allegations that Estes made in 1983-1984 when he got out of jail and started making more claims about LBJ and the assassination.My guess is that you already know most of this, since you were dealing with it last week. Let's talk about it more once Carol pulls the files.Thanks.
