Subject: Eileen's visit Wednesday

Body: Eileen, Lee, and her two new folks will be here on Wednesday afternoon around 1:00pm. As I understand it, she wants to introduce the new folks to the CIA team and discuss the crypt issue. If this time is not convenient, please give her a call. We have the All-Agencies meeting in the morning so I suggested she not come until after lunch. If this does not work with your schedule or that of the team, just let me know the new time.
