Subject:	Doug Horne Called Ralph Novak
Body:	CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 01/06/98 The Players Description of the Call Date: 01/06/98Subject: Doug Horne Called Ralph NovakSummary of the Call:I called Ralph Novak (the OSD attendee at our Joint Declass. Sessions) and politely reminded him that he has a significant backlog of material to review (LBJ Library, JFK Library, Eisenhower Library, Califano Papers)--approximately 2-3 man-days of work (minimum).He acknowledged the backlog, and said he had intended to come over this week, but now had to travel to Brazil this week, and to Chile next week.I extended a standing invitation to him to come over at any time to begin processing his backlog, and he said he now intended to come over mid-to-late January to do that.(Relations with him are cordial; he is simply working in an overtaxed, understaffed office at ISA.)I informed him that present plans by Jim Goslee and I are to conduct the next declassification session Wednesday-Friday, February 4, 5 and 6 (for which he was grateful; this will allow him to address the OSD review backlog prior to the next session).
