Subject: Access to Pike Committee Records

Please come see me about this.To: Jeremy Gunn/ARRB, Tracy Shycoff/ARRB, Michelle Combs/ARRBcc: From: Ron Haron/ARRB Date: 01/07/98 02:03:33 PMSubject: Access to Pike Committee RecordsCALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 01/07/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronU.S. House of Representatives -- Permanent Select Committee on Intelligence's representative in the call: Bill McFarlandDescription of the Call Date: 01/07/98Subject: Access to Pike Committee RecordsSummary of the Call:William McFarland, Director of Security for the House Intelligence Committee, called to inform us that he will be retrieving from NARA the Pike Committee records for our review. He said they should be available in the next week or so. He asked that the clearances of the people who will be doing the review be sent to him. His unclassified fax is 202-225-1991 and his classified fax is 202-225-8624. He said there were 2 boxes of Pike Committee records and 3 boxes of House Intelligence records. By copy of this message, I am asking that Tracy pass the clearances to Mr. McFarland for myself and for Michelle. I think we may need an analyst to assist in helping to correlate the original Pike assassination records with the ones that are redacted in the JFK Collection. Therefore, I am asking that Jeremy approve someone whose clearance can also be passed for this project.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
