**Subject:** Experts Conference  
I thought that someone from the National Security Archive might be able to make a contribution to the Experts Conference. The people who I think would be the best candidates for an invitation are:Tom Blanton Executive DirectorMalcolm Byrne Director of AnalysisWill Ferrogiarro FOIA CoordinatorKate Martin General Counsell'm sure that any of the above would be pleased as punch to attend such an event. As an additional aside, Tim Weiner's wife is one of the NSA analysts, so if an invitation went out to anyone at the Archive, he'd probably hear about it pretty quickly. Let me know if you have any questions.
