**Subject:** December Meeting Summary, Ford Docs  
The Board considered 26 documents from the Ford Library at the December meeting. More than half of the documents came from the Rockefeller Commission, and included CIA cables and memoranda, notes made of CIA files, and internal Commission documents relating to its investigation of CIA activities during the 1960s. The remainder of the Ford Library documents include documents from the early 1960s discussing the program of covert action against Cuba.
