**Subject:** Tuesday 1-27-98 Staff Meeting  
I checked with Jerrie on this and she said that you have a meeting at DOJ at 10:00 which means that the staff meeting would only be able to be 20 minutes (maximum). I don't know what you have on the agenda for the meeting but I'm sure it includes at least a briefing on what the Board did last week and your meetings on Thursday and Friday with the Doctors. I know this second topic interests me and I'm sure others!Therefore, I respectfully submit that it might be better to reschedule the meeting until later in the day when we might have more time. Just a suggestion.
