Subject: Sixth Floor Museum Subpoena

Ron:As I mentioned, we have decided to seek a subpoena for the Sixth Floor Museum. It should be a boiler plate subpoena, but I'd like to provide you with some more specific information that I discussed with Jeremy.

1. The date: This will most likely change, if we ever serve this, but let's say the return date is Monday, March 16.
2. The location: Earle Cabell Federal Building, Commerce Street, Dallas, Texas. (Address and verification on spelling will be in file for Anne Goodpasture's deposition; same place for her.)
3. The recipient: Jeremy said that it should be done as a "3(b)(6)" because we were not sure who the proper person is at the Museum.
4. Some specifics on what we want: Up-to-date Inventories Original and copies of films, photographs, audiotapes 8 mm Dorman home movie of Kennedy motorcade Parkland Hospital Medical records of President, Kennedy, Officer Tippit, Lee Harvey Oswald, Jack Ruby and John Connally Photographs of Tina Towner Barnes Jack Beers photographs F. M. Bells photographs Wilma bond photographs Ike Altgens photographs Dallas Morning News photographs Dallas Public Library Photograph Collection Bob Jackson photographs Farris Rookstoll Photograph Collection Bettman/UPI photographs Phil Willis three slides Gail Nix Jackson Photographs Collection Black Star Photograph Collection Dallas Times Herald Photographs Collection WFAA Television Collection KDFW Collection KTVT Collection Corey Cooper Collection

The specifics above are not to exclude anything else they have, of course. But, Jeremy had asked for as many specifics as I could think of. The above list is based on an inventory they gave us. I had highlighted these items and the Museum was to provide more details. They have not done so because of computer problems, they have told me. You, Jeremy and I should probably sit down and discuss the subpoena next week. Thanks. Tom
