**Subject:** Wrap-Up of Medical Clarification Efforts

I have placed an important memo on this subject in your in-box, along with 5 copies for the Board members, and one for Jerrie's files. I would be pleased if you would send it to the Board Members as part of their weekly mailing, as a prelude to their voting on whether or not to depose two of the Dallas treating physicians. In a sense, it constitutes the big brief on one aspect of the medical controversy--the Parkland vs. Bethesda "lenses"-that they have not yet received from anyone. I do not believe they should make any final decisions about wrapping up our medical efforts, and specifically about deposing any Dallas doctors, pro or con, without reading this memo. Ultimately, of course, the decision on whether or not to show it to them is yours.
