Subject:	deleted by mistake
Body:	Is it possible to do this? Please?I deleted a few rifs from the HSCA/Church database, could you please restore them from the backup? They are 180-10070-10415, 180-10118-10047, 180-10119-10058, and 180-10071-10276. These are documents that I was deleting on purpose from the HSCA Cross Reference database, and I guess I got a little overzealous.
