Subject:	Dillon Committee Documents
Body:	I am still working on the Dillon Committee documents you gave me from the JFK Library files. I am very close to having all the referrals complete. I'm waiting for the Treasury Department to look at some of the documents, and I have a few straggler documents that need to be seen by the FBI, CIA and NSA. I'm hoping to have them all done by the March meeting. Please let me know if you have any questions.
