**Subject:** Congressional Report  
Michelle said that e-mail goes to you at home with no problem but that for some people attachments by e-mail are a problem. Just in case you feel that you should not come in on Friday and do not get it via computer, I am sending you a hard copy of Tom's draft of the February report . You can make changes and relay them to me by phone if necessary. Michelle will not deliver it to you unless you call her to say that you need it (she is going to IP tomorrow).
