Review Board's representative in the call: Ron HaronHSCA Staff's representative in the call: Vincent P. GuinnDescription of the Call Date: 03/02/98Subject: Guinn HSCA RecordsSummary of the Call:On February 27, 1998, Dr. Guinn called regarding our repeated requests that he turn over any materials that he has relating to his work for the HSCA. I again asked that he determine what he has and tell us in writing so as to obviate the need to subpoena him. He said that he had confirmed that he had thrown away the tape related to his work. He also said that he has gone through his written materials relating to the JFK assassination and will itemize them for us in writing (he indicated that they were publicly available materials); he also said that he has some FBI materials that were obtained through FOIA. He said the materials he has were simply "background" for his HSCA work. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
